Course: The I Did The Grid 4 mile course has 31 turns and you will never run another one like it. We like to call it the Fenway Park of road races. The streets will be blocked from traffic by our local police and fire department. For the safety of all runners and walkers, proceed with caution! Runners and walkers participate at their own risk.

2015 Team Chris Gear

Purchasing one t-shirt enables us to send 3 pairs of socks to our Marines who are serving in harms way. Team Chris shirts and assorted items will be available on Friday and Saturday at registration!

for more information!

On the morning of the race we ask that you promise not to forget, nor let your children or their children forget that Chris and his fellow warriors died so that we might live free. To honor Chris and all of the men and women who have given their lives in service to the United States of America we ask that you give up any personal awards for this day. Instead each race bib will have the printed name of four fallen heroes from either Operation Enduring Freedom or Operation Iraqi Freedom. Each participant will carry those names and upon completion of the course will ring a bell to signify that those Airmen, Coast Guardsmen, Sailors, Soldiers or Marines named on the bib will be remembered for making the ultimate sacrifice. This fundraising event allows us to provide scholarships and support active servicemen and women as well as our local veterans.

**We welcome additional donations for our
"Wounded Warrior Service Dog Project".**
Team Chris would like to continue its initiative to sponsor service dogs for our wounded veterans returning home from Iraq and Afghanistan. Service dogs may be trained to help provide balance, fetch and retrieve dropped items and carry a backpack for their disabled veteran. Similarly, combat stress relief dogs will provide emotional support for service members experiencing combat stress or PTSD.
